Thief
Hall

"Well organised. Busy. Lots of variety with some lovely stalls. Very impressed by the promotional material, flyers and cards - very professional. And the cakes to go with the cuppa were amazing. Looking forward to the next one in October"

Customer review from Debut Fair May 2016

An affordable market place for crafting mothers to sell their creations

- Real life arts and craft fairs
- E-commerce website
- Training, support & membership
- Marketing and design services
